Aunt Rhody

The musical score is divided into two systems. Each system consists of an Acoustic Guitar (Ac.Gtr.) part and an Electric Guitar (Gtr.) part. The Ac.Gtr. part is written in treble clef with a key signature of one flat (Bb) and a 4/4 time signature. The Gtr. part is written in bass clef. The first system covers measures 17-20, and the second system covers measures 21-24. Chords are indicated above the staffs: C, C, G7, and C. The Gtr. part includes fret numbers (0, 1, 2, 3) and a double bar line at the end of each system.

Lyrics:

Go tell Aunt Rhody. Go tell Aunt Rhody.
Go tell Aunt Rhody. The old gray goose is dead.

She died in the the mill pond. She died in the the mill pond.
She died in the mill pond standing on her head.

The old gander is weeping. The old gander is weeping.
The old gander is weeping because his wife is dead.

How to practice:

1. Practice playing melody separately with fingers.
2. Practice bass with a metronome.
3. Slowly put the two parts together.
